Basketball Goals by Wilson!

Wilson is the basketball choice for the NCAA Basketball Championships including March Madness, Division II and Division III Tournaments. Our dominance on the court comes from producing better products. All our Wilson goals come standard with Stadium glass backboards (2 sheets of tempered glass fused with a layer of adhesive for superior rebounding and safety) Power glide height adjustment (effortless adjustment from 7'6" to 10'), Pro Flex Heavy duty breakaway rim and a Official Asphalt Avenger ball.

	MSRP	SALE	Install
